The screenshot shows the DDP Player application window. The title bar reads "DDP Player - Sonoris Audio Engineering". The menu bar includes "File", "Import", "Burn CD", "Tools", and "Help". The main area is a table with columns: Track, Index, Start, Duration, ISRC, Title, and Performer. The track "Fire Burning" is selected and highlighted in blue. To the right of the table is a control panel with fields for Title, Performer, MCN, and Total Length, along with a "Show CD Text" button and playback controls (previous, play, next) and a "Play Transition" button. At the bottom, there is a progress bar and a digital display showing "02:56".
